## DELI & BAKERY VIEW

### **Freshly baked goods, daily.**

From pastries to baguettes, this bakery is sure to be a hit. Instead of hiding the bakery (and the incredible smells) in the back, we brought it to the forefront of the cafe for all to see. Deli's serving sandwiches on freshly baked breads are becoming more and more common, as well. Your deli will be supplied with a variety of artisan breads, such as baked foccaccia and sourdough.
