

Hi to all, can somebody guide how to edit the discipline wording of the schedule sheet index.

Thanks.

The image shows a screenshot of a schedule sheet index table. The table has two columns: 'A' (Discipline) and 'B' (Description). The rows are grouped by discipline: GENERAL, STRUCTURAL, ARCHITECTURE, INTERIOR PLAN - FLOOR FINISH / WALL FINISH, and EQUIPMENT - FURNITURE. Red arrows point to the 'A' column for the GENERAL, ARCHITECTURE, and INTERIOR PLAN sections.
